Synopsis of "COLLABORATIVE SELLING" (ADVANCED LEVEL SKILLS)

Program Duration: 6 Days

The world has changed in significant ways, and sales people today must have new skills, new attitudes and new understanding of how to work with their clients. Here are a few questions that might help demonstrate this point:

- Have you found that your competitors are more aggressive than they used to be?
- Do you have more competitors than you ever had in the past?
- Does it seem harder to sell your product now than it was just a few years ago?
- Are price issues a constant problem?

The ultimate Sales Training Program, for hungry sales professionals who want to excel in today's complex sales arena. It is based on a dynamic new approach proven in Sales Training Program in some of the nation's most successful companies. *COLLABORATIVE SELLING* supplies a result-driven, six-step communication and problem-solving program that helps you select the solutions that reward you and your prospect.

MODULE:
